PROXY STATEMENT

The Board of Directors (the “Board”) of Citizens, Inc. (the “Company”) is furnishing you this Proxy Statement to solicit proxies on its behalf to be voted at the Annual Meeting of Shareholders to be held at the Company’s executive office at 2900 Esperanza Crossing, 2nd Floor, Austin, Texas 78758 on Tuesday, June 4, 2019, at 10:00 a.m. Central Daylight Time (the “Annual Meeting”). The proxies also may be voted at any adjournments or postponements of the Annual Meeting.

The Board is first furnishing the proxy materials to holders of the Company’s Class A common stock and Class B common stock (collectively, “Common Stock”) on April 25, 2019.

All properly executed written proxies and all properly completed proxies submitted by telephone or Internet that are delivered pursuant to this solicitation will be voted at the Annual Meeting in accordance with the directions given in the proxy unless the proxy is revoked prior to completion of voting at the Annual Meeting. Voting by proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. Other than the approval of the matters listed above, we do not anticipate that any other matters will be raised at the Annual Meeting.

Only owners of record of shares of Common Stock as of the close of business on April 10, 2019, the record date, are entitled to notice of, and to vote at, the Annual Meeting or at any adjournments or postponements thereof. Each shareholder of record on the record date is entitled to one vote for each share of Common Stock held by such shareholder on all matters coming before the Annual Meeting, regardless of class. Additionally, the voting rights of the Class A and Class B shareholders are equal in all respects, except that Class B shareholders have the exclusive right to elect a simple majority of the Board, and the Class A shareholders have the exclusive right to elect the remaining directors.

On April 10, 2018, there were 49,229,255 shares of Class A common stock issued and outstanding and entitled to vote at the Annual Meeting, and 1,001,714 shares of Class B common stock issued and outstanding and entitled to vote at the Annual Meeting.

CORPORATE GOVERNANCE

OUR COMMITMENT TO GOOD CORPORATE GOVERNANCE

The Board believes that a commitment to good corporate governance enhances shareholder value. To that end, the Company is committed to employing robust corporate governance practices to promote high standards of responsibility and ethics that define how we operate our business and earn a return for our shareholders.

The Company’s Corporate Governance Guidelines provide a framework for effective governance of the Board and the Company. The guidelines establish policies and practices with respect to Board operations and responsibilities, including board size and composition, director independence, director qualifications, executive and director compensation, succession planning and the roles of Board committees. The Board regularly reviews these guidelines and updates them as needed. A copy of the Corporate Governance Guidelines is available on our website at www.citizensinc.com.

The Board believes that its commitment to good governance is demonstrated by the following corporate governance practices, including:

- All of our directors are independent.
- All of our standing Board committees (Audit, Compensation, Nominating and Corporate Governance, Investment and Executive Committees) are composed of entirely independent directors.
- We are committed to Board refreshment (five directors nominated since 2017).
- Our directors are elected annually.
- Our directors attended 100% of Board and committee meetings in 2018.
- Our independent directors hold regularly scheduled executive sessions without management present.
- We have annual Board and committee self-assessments.
- Board oversight of risk is a cornerstone of our enterprise risk management program.

- Our ethics program includes a Code of Business Conduct and Ethics for our directors, officers and employees, and regular one-on-one meetings with our employees to discuss ethics concerns.
- We have an annual “say on pay” advisory vote.

Our Company is a “controlled company” under the New York Stock Exchange (“NYSE”) corporate governance listing standards (the “listing standards”) because more than 50% of the voting power for election of directors is held by an individual, group or another company. As a “controlled company,” we are exempt from certain corporate governance requirements listed in the NYSE listing standards. However, in an effort to establish more rigorous corporate governance practices than required under the NYSE’s listing standards, we have voluntarily complied with certain requirements, including having a majority of independent directors on our Board, and having a Compensation Committee and Nominating and Corporate Governance Committee comprised entirely of independent directors, none of which is required for controlled companies under the NYSE listing standards.

OUR CULTURE OF RESPONSIBILITY AND ETHICS

As part of our commitment to strong corporate governance practices, we maintain an active ethics program. Our ethics program is rooted in our seven core values:

Integrity	We will build trust through fair, honest and ethical relationships by adhering to a strong moral compass.
Perseverance	We will steadfastly pursue our mission despite obstacles, difficulties or delays in achieving success.
Excellence	We deliberately pursue high standards and are committed to achieving higher standards.
Selfless Service	We promote the assistance of others, not for personal gain, but for the enhancement of others.
Leadership	We identify and take ownership of our areas of influence; guiding, developing and mentoring others along the way.
Accountability	We are responsible for our actions and we accept the outcome of those actions.
Commitment	With dedication we pursue this mission, vision and core values to bring success to our employees, policyholders, shareholders, agents and associates.

Our Board, officers and employees are obligated to adhere to our core values. In that way, we can ensure that we continue to be good stewards of the investments in us by our shareholders, employees, policyholders and independent consultants. Our ethics program also includes periodic training on compliance topics for all employees, such as anti-money laundering training, and one-on-one meetings with our employees where they can communicate any compliance, ethics or compliance concerns (“Compliance Task Force Meetings”). Our Compliance Task Force Meetings take place with our Chief Compliance Officer and a member of our legal team and are generally held on a regular basis with select employees from different functions and groups at the Company. Notes from the Compliance Task Force Meetings are shared with the Chief Legal Officer and Chief Executive Officer and other key executive officers depending on the subject matter of the concern voiced. At each Compliance Task Force Meeting, we also reiterate our commitment to our core values to ensure that each employee is living up to them.

Our Board has adopted a Code of Business Conduct and Ethics (“Code”), which is available on our website at www.citizensinc.com. The Code provides general statements of our expectations regarding ethical standards we expect our directors, officers and employees to adhere to while acting on our behalf. Our Code also contains procedures for our employees to report, anonymously or otherwise, violations of the Code. Any amendment to the Code and any waiver applicable to Company’s directors or executive officers will be posted on our website within the time period required by the Securities and Exchange Commission (the “SEC”) and the NYSE.

BOARD LEADERSHIP STRUCTURE

The Board believes its current leadership structure best serves the objectives of the Board's oversight of management, the Board's ability to carry out its roles and responsibilities on behalf of the Company's shareholders, and Company's overall corporate governance. Our Chief Executive Officer is not a member of the Board. The Board believes that having an all-independent Board, which separates the Chairman and Chief Executive Officer roles, allows the Chief Executive Officer to focus his time and energy on operating and managing the Company while leveraging the Chairman's experience and perspectives. The separation of roles also allows an effective balance between strong executive leadership and appropriate safeguards and oversight by the Chairman and other independent directors. The Board periodically reviews its leadership structure to determine whether it continues to best serve the Company and its shareholders. The Chairman is independent, and we do not have a lead director.

DIRECTOR INDEPENDENCE

The Board determines whether a director or director nominee is "independent" in accordance with the NYSE requirements for independent directors. In order to be considered independent, other than in his or her capacity as a member of the Board or any board committee, a director may not accept any consulting, advisory or other compensation fees from the Company, and may not be an affiliated person of the Company or any subsidiary. In addition to compliance with NYSE independence requirements, the Board applies an additional independence standard that requires an affirmative determination that each independent director has no other material relationship with the Company or its affiliates or any executive officer of the Company or his or her affiliates that in the judgment of the Board would impair their effectiveness or independent judgment as a director.

The Board has determined that all nine of our directors are independent as set forth under the NYSE independence requirements. There were no relationships that existed in 2018 that were considered by the Board as part of the independence determinations.

BOARD MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Company's business affairs are conducted under the direction of the Board. The Board held three (3) meetings during 2018, and all directors were present for 100% of the meetings. We encourage our directors to attend each annual meeting of shareholders and in 2018 all our directors attended the annual meeting.

To promote open discussion, our independent directors hold regularly scheduled executive sessions without management present. These sessions allow the independent directors to review key decisions and discuss matters in a manner independent of management.

To assist it in carrying out its duties, the Board has delegated certain authority to five separately-designated standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, the Investment Committee and the Executive Committee. The primary responsibilities of each of the committees are described below, together with the current membership and number of committee meetings held in 2018. Currently, all of our five standing board committees are composed entirely of independent directors. Each of the Board committees has a written charter. Copies of these charters are available on our website at www.citizensinc.com, or in print upon request from the Secretary of the Company at Citizens, Inc., P. O. Box 149151, Austin, Texas 78714-9151.

- any related party transactions.

For additional information on the Audit Committee's role and its oversight of the Independent Auditor during 2018, see "Report of the Audit Committee" on page 10.

Audit Committee Financial Expert. The Board has determined that all of the members of the Audit Committee are "financially literate," as that term is interpreted by the Board in its business judgment. In addition, the Board has determined that Dr. Terry S. Maness (Chairman) qualifies as an "audit committee financial expert," as that term is defined in the regulations promulgated under the Securities Act of 1933, as amended (the "Securities Act").

Investment Committee

Current members: Christopher W. Claus, Jerry D. Davis, Jr. and Gerald W. Shields

Number of meetings in 2018: 5

The Investment Committee is responsible for assisting the Board in reviewing and overseeing the investment policies, objectives, strategies, portfolio, transactions and performance of the Company and its subsidiaries.

Executive Committee

Current members: Jerry D. Davis, Jr. (Chairman), Christopher W. Claus and Dr. Robert B. Sloan, Jr.

Under the Company's Third Amended and Restated Bylaws (the "Bylaws"), the Board may designate an Executive Committee to consist of a majority of independent directors with at least three but not more than five directors elected by both classes of Common Stock, one of whom must be the Chairman of the Board. The Executive Committee may exercise all authority of the Board in the management of the business and affairs of the Company, unless restricted by the Colorado Business Corporations Act, the Company's Restated and Amended Articles of Incorporation (the "Articles of Incorporation") or Bylaws, or other applicable law. The Executive Committee approves Company actions by unanimous written consent of the members, and there were fourteen (14) such consents in 2018.

RISK OVERSIGHT

Effective risk oversight is an important priority for the Board. In carrying out this oversight, the Board has designated the Audit Committee with primary responsibility for overseeing enterprise risk management. In accordance with this responsibility, the Audit Committee monitors the Company's significant business risks, including risks related to market conditions, liquidity and capital requirements, catastrophes, investments, liquidity, cybersecurity and legal and regulatory, and reviews the steps management has taken to monitor and control these exposures. The Audit Committee also meets at least quarterly with our Independent Auditor, our internal auditor and our Chief Financial Officer and receives a comprehensive financial report discussing the Company's risk exposures and the processes in place to monitor and control such exposures.

The Audit Committee is assisted in its risk oversight duties by senior management, including the Company's Chief Executive Officer, Chief Financial Officer and Chief Legal Officer. Senior management is responsible for risk management across a wide range of areas and functions and reports regularly to the Audit Committee, which itself reports regularly to the Board.

While the Audit Committee has primary responsibility for overseeing enterprise risk management, the other Board committees also consider risks within their areas of responsibility and apprise the Board of significant risks and management's response to those risks. For example, the Nominating and Corporate Governance Committee reviews legal and regulatory compliance risks as they relate to corporate governance structure and processes, and the Compensation Committee reviews risks related to compensation matters. While the Board and its committees oversee risk management strategy, management is responsible for implementing and supervising day-to-day risk management processes and reporting to the Board and its committees on such matters.

Although risk oversight is conducted primarily through committees of the Board, the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through full reports from each committee chair regarding the committees' considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

BOARD AND COMMITTEE PERFORMANCE SELF-ASSESSMENTS

The Board and each committee conduct an annual self-assessment. This evaluation is intended to assess whether the Board and the committees are functioning effectively. As part of this self-assessment, the directors are asked to consider the Board's role, relations with management, composition and meetings. Each committee is asked to consider its role and the responsibilities articulated in the committee's charter, the composition of the committee and the committee meetings. The self-assessment responses and comments are compiled by the Secretary of the Company and presented to the Nominating and Corporate Governance Committee for initial review. The responses and comments are reviewed with each committee and the full Board and are utilized by the Board and each committee to improve their operations and processes.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

A "related person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) during the Company's last fiscal year in which the Company (including any of its subsidiaries) was, is or will be a participant, in which the amount involved exceeds \$120,000, and in which any related person had, has or will have a direct or indirect material interest. A "related person" means:

- any person who is, or at any time during the year was, a director, nominee for director or an executive officer of the Company;
- any person who is known to the Company to be the beneficial owner of more than 5% of the outstanding Common Stock;
- any immediate family member of any of the persons referenced in the preceding two bullets, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of the director, nominee for director, executive officer or more than 5% beneficial owner of the Common Stock, and any person (other than a tenant or employee) sharing the household of such director, director nominee, executive officer or more than 5% beneficial owner of the Common Stock; and
- any firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10% or greater beneficial ownership interest.

The Company identifies related persons using known business affiliations, quarterly disclosure meetings and information provided by directors and executive officers in their annual questionnaires.

The Company has in place the following process controls to identify and approve transactions with related persons:

- Management discusses related persons and affiliates as a standing agenda item during each quarterly disclosure meeting. Management requires that any new related person or affiliate transactions or changes to previously identified related party transactions be reported;
- Potential related and affiliated party transactions are reviewed and analyzed at the affiliated entity/ subsidiary level (within the Citizens, Inc. holding company structure) and, if deemed to be affiliated transactions, those transactions are evaluated for consolidated financial reporting purposes as part of quarterly financial reporting and entry support is provided for each transaction; and
- Each director and executive officer completes an annual questionnaire that identifies any related person transactions. These forms are reviewed by the Board at the following board meeting. Company officers who provide certifications for quarterly and annual SEC reporting also review them.

All related persons transactions must be approved by the Audit Committee in accordance with the Audit Committee charter.

When a related person transaction is proposed, the Audit Committee reviews: (1) the related person's name and relationship to the Company; (2) the person's interest in the transaction with the Company, including the related person's position or relationship with, or ownership in, a firm, corporation, or other entity that is a party to or has an interest in the transaction; and (3) the approximate dollar value of the amount involved in the transaction, the nature and business purpose of the transaction and the related party's interest in the transaction.

The Company is not aware of any transaction, or series of transactions, since January 1, 2018, or any currently proposed transactions to which the Company or any of its subsidiaries is to be a party, in which the amount involved exceeds \$120,000 and in which any director, nominee for director, executive officer, 5% shareholder or any member of the immediate family of the foregoing persons had, or will have, a direct or indirect material interest.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Grant G. Teaff (Chairman), Jerry D. Davis, Jr., Francis A. Keating II and Steven F. Shelton were members of the Compensation Committee during 2018. Mr. Shelton served as a director through June 4, 2018. None of the members of the Compensation Committee is or has been an executive officer of the Company, nor did any of them have any relationships requiring disclosure by the Company under Item 404 of SEC Regulation S-K. None of the Company's executive officers served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity, an executive officer of which served as a director of the Company or member of the Compensation Committee during 2018.

COMMUNICATIONS WITH THE BOARD

The Board has established a process to facilitate communication by shareholders and other interested parties with directors. Communications can be addressed to directors in care of the Secretary of the Company at Citizens, Inc., P. O. Box 149151, Austin, TX 78714-9151.

Communications may be distributed to all directors, or to any individual director, as appropriate. At the direction of the Board, all mail received may be opened and screened for security purposes. In addition, items that are unrelated to the duties and responsibilities of the Board shall not be distributed. Such items include but are not limited to: spam; junk mail and mass mailings; product complaints or inquiries; new product suggestions; resumes and other forms of job inquiries; surveys; and business solicitations or advertisements.

In addition, material that is trivial, obscene, unduly hostile, threatening or illegal or similarly unsuitable items will be excluded; however, any communication that is excluded will be made available to any independent, non-employee director upon request.

AUDIT MATTERS

AUDIT COMMITTEE AND MEETINGS

The Audit Committee is comprised of all independent directors who meet the financial literacy requirements of the NYSE and additional, heightened independence criteria applicable to members of the Audit Committee under SEC and NYSE rules. The Board has designated Dr. Terry S. Maness (Chairman) as “Audit Committee financial expert” under the SEC rules.

Regular audit committee meetings generally take place immediately before a Board meeting to maximize interaction with the Board. The Audit Committee also meets before the Company issues its quarterly and annual financial results. The meetings typically include the Chief Executive Officer and Chief Financial Officer, along with other members of senior management, and the internal auditors.

At each regular committee meeting, the Audit Committee conducts a review session at which senior management provides briefings on current issues, trends and developments, and is briefed by the Chief Financial Officer on the financial results. Following a report by the internal auditors, representatives of the Independent Auditor are invited into the meeting to present their findings. The Audit Committee also meets separately with the Independent Auditor representatives and/or the lead audit partner upon request. The Audit Committee reports regularly to the Board.

PRIMARY RESPONSIBILITIES AND 2018 ACTIONS

The Audit Committee represents and assists the Board in fulfilling its oversight responsibility relating to the integrity of the Company’s financial statements, the financial reporting process and the system of internal controls, including the internal audit function. The Audit Committee oversees the Company’s compliance with legal, regulatory and public disclosure requirements, and the Independent Auditor’s qualifications, independence and performance. The Audit Committee also generally oversees the Company’s overall enterprise risk management program and approves any related party transactions.

During 2018, among other things, the Audit Committee:

- Reviewed the Company’s quarterly and annual results;
- Reviewed the activities and findings of the Company’s internal audit function;
- Reviewed the findings of the Company’s Internal Control Task Force;
- Actively engaged executive management on improvements to the Company’s internal control environment;
- Reviewed the Audit Committee charter;
- Performed a self-assessment; and
- Met independently with the Independent Auditor.

APPOINTMENT AND OVERSIGHT OF INDEPENDENT AUDITOR

In determining each year whether to reappoint the Independent Auditor or engage another firm, the Audit Committee considers, among other things:

- the historical and recent performance of the Independent Auditor on the Company’s audit;
- external data relating to the performance of the Independent Auditor, including recent Public Company Accounting Oversight Board (PCAOB) reports on the Independent Auditor and its peer firms;
- the firm’s tenure as the Independent Auditor and its familiarity with the Company’s operations;
- the firm’s capability and expertise in handling the complexity of the Company’s operations;
- the independence of the Independent Auditor; and
- the appropriateness of the Independent Auditor’s fees, on both an absolute basis and as compared to its peer firms.

On June 30, 2017, the Company was notified by its former Independent Auditor, Ernst & Young LLP (“EY”) of EY’s decision to resign as the Company’s Independent Auditor. EY continued to serve as the Company’s

Independent Auditor for the duration of its review of the Company's interim financial statements included in the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2017. During the fiscal years ended December 31, 2015 and 2016 and through June 30, 2017, there were no "disagreements" (as defined in Item 304(a)(1)(iv) of SEC Regulation S-K and the related instructions thereto) with EY on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of EY, would have caused EY to make reference to the subject matter of such disagreements in connection with its reports on the financial statements for such years. EY's reports on the Company's financial statements for the fiscal years ended December 31, 2015 and 2016 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's fiscal years ended December 31, 2015 and 2016 and through June 30, 2017, there were no "reportable events" (as defined in Item 304(a)(1)(v) of SEC Regulation S-K), except that management identified a material weakness in the Company's internal control over financial reporting related to ineffective management review control as it pertained to the Company's tax review of external tax experts' complex documentation for the fiscal year ended December 31, 2015. Management also identified material weaknesses in the Company's internal control over financial reporting related to ineffective data validation and management review controls, ineffective supervision of third-party service organization and ineffective staff competency for the fiscal year ended December 31, 2016. However, there was no disagreement between the Company and EY with respect to these determinations. The Audit Committee authorized EY to respond fully to any inquiries of the Company's successor independent registered public accounting firm concerning these material weaknesses, and EY agreed to provide such information.

On September 8, 2017, the Company announced that following the conclusion of a previously announced auditor selection process led by the Audit Committee, the Company selected and engaged Deloitte & Touche LLP to serve as its independent registered public accounting firm for the year ending December 31, 2017. Since then, Deloitte & Touche LLP has continued to serve as our Independent Auditor.

AUDIT COMMITTEE REPORT

The Audit Committee assists the Board in fulfilling its oversight responsibilities relating to the Company's financial statements, financial reporting process, internal controls, internal audit function and annual independent audit. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. In their oversight role, the members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by our management and the Independent Auditor.

Management is responsible for preparing our financial statements and the Independent Auditor is responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by our management and the Independent Auditor. The Audit Committee is also responsible for establishing procedures to address complaints regarding accounting, internal control or auditing issues, as well as the anonymous submission by employees of concerns regarding accounting or auditing matters. In this context, the Audit Committee routinely meets and holds discussions with management and the Independent Auditor. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"), and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the Independent Auditor.

The Audit Committee has discussed with Deloitte & Touche LLP, our Independent Auditor for our financial statements, those matters required to be discussed by AS No. 1301, Communications with Audit Committees, and applicable SEC Rules. In addition, the Independent Auditor provided to the Audit Committee the written disclosures required by Rule 3526 of the PCAOB, Communication with Audit Committees Concerning Independence, and the Audit Committee has discussed with the Independent Auditor its independence, including the matters in those written disclosures.

The Committee has discussed with the Independent Auditor its evaluations of our internal accounting controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions with management and the Independent Auditor, the Audit Committee recommended to the Board and the Board has approved, the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the SEC.

Principal Accountant Fees and Services

During 2018 and 2017, the following fees were billed to us by our principal accountants:

AUDIT FEES*	2018	2017
Audit Fees	\$2,974,576	\$3,974,625
Audit-Related Fees	-	-
Tax Fees	-	-
All Other Fees	-	-
TOTAL	\$2,974,576	\$3,974,625

*The amount of the audit fees and charges billed over the last two years are unusually large by virtue of the previously disclosed failure of information technology general controls and material weaknesses, which required a detailed substantive audit approach.

Audit Committee Pre-Approval of Services

To help assure independence of the Independent Auditor, our Audit Committee has established a policy whereby all audit, review, attest and non-audit engagements of the principal accountant or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules. This policy is set forth in our Audit Committee Charter. Of the fees shown in the table which were billed by our principal accountants in 2018 and 2017, 100% were approved by the Audit Committee.

Narrative to the Director Compensation Table

The Compensation Committee annually reviews the total compensation of our non-employee directors and each element of compensation for our non-employee directors. As part of this process, the Compensation Committee evaluates market data provided by its compensation consultant and makes a recommendation to the Board. The Board determines the form and amount of director compensation after reviewing the Compensation Committee’s recommendation.

In 2018, each non-employee director received an annual cash retainer of \$105,000 (prorated for time served during the year), plus an educational reimbursement allotment not to exceed \$5,000 per calendar year. Directors serving as Chairman or Vice Chairman of the Board, and Directors serving as Chairman of the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Investment Committee received an additional \$10,000 in compensation to recognize their Board leadership roles and additional responsibilities. Directors do not receive fees for attending Board or Committee meetings.

In addition, based on an assessment of the compensation program for non-employee directors conducted in early 2018 and following a recommendation of the Company’s independent compensation consultant, F.W. Cook & Co. (“F.W. Cook”), the Compensation Committee modified the non-employee director compensation program to include an annual retainer in the form of equity in 2018, which was intended to more closely align the Company’s director’s financial interests with its shareholders. Non-employee directors received a grant of 1,460 restricted stock units (“RSUs”) on February 15, 2018 (each, an “Annual Director Award”) under the Citizens, Inc. Omnibus Incentive Plan. All Annual Director Awards vested on February 15, 2019, subject to continued service on the Board through the vesting date. The number of RSUs subject to each Annual Director Award was determined by dividing \$10,500 by

the per share closing price of the Company's Class A common stock on the date of grant and rounding to the nearest whole share. Upon vesting, each RSU will equal one share of Class A common stock. In future years, the Compensation Committee expects to grant the annual equity retainer on the date of the annual meeting of shareholders.

No other compensation, such as profit sharing, was paid to our non-employee directors.

CONTROL OF THE COMPANY AND SHARE OWNERSHIP

CONTROLLING SHAREHOLDER

On September 21, 2017, the Company announced the passing of its founder, Mr. Harold E. Riley, former Chairman and Chief Executive Officer of the Company. He was 89 years old. At the time of his passing, Mr. Riley was not a board member or an executive officer of the Company. Mr. Riley was the beneficial owner of 100% of the Company's Class B common stock, consisting of 1,001,714 shares (the "Class B Shares") held by the Harold E. Riley Trust ("Trust"), of which Mr. Riley served as trustee. The Company's Class A and Class B common stock are identical in all respects, except the Class B common stock elects a simple majority of the Board and receives one-half of any cash dividends paid, on a per share basis, to the Class A common stock shares. The Class A common stock elects the remainder of the Board.

The Trust documents provided that upon Mr. Riley's death, the Class B shares be transferred from the Trust to the Harold E. Riley Foundation, a charitable organization established under section 501(c)(3) of the Internal Revenue Code (the "Foundation"). The Foundation is organized as a public support charity for the benefit of its charitable beneficiaries, Baylor University and Southwestern Baptist Theological Seminary. The Foundation is governed by a board of trustees appointed by Mr. Riley prior to his death, Baylor University and Southwestern Baptist Theological Seminary.

The transfer of shares of the Class B common stock from the Trust to the Foundation requires prior regulatory approval from the Colorado Division of Insurance, the Texas Department of Insurance, the Louisiana Department of Insurance and the Mississippi Department of Insurance. As of the date of this Proxy Statement, such state departments of insurance have yet to approve the transfer of control of the shares of the Class B common stock from the Trust to the Foundation as an "ultimate control party," as required under applicable state insurance regulatory provisions. Mr. Riley's estate and the Foundation are proceeding independent of the Company to obtain these approvals. Accordingly, until the relevant approvals have been obtained, the Trust, of which Mr. Riley's estate serves as trustee, remains the record holder of 100% of the Class B Shares described above, and therefore controls our Company. The Company does not know if or when regulatory approvals of the transfer ultimately will be granted. If such approvals are obtained from the state departments of insurance listed above, the Company will record the transfer of the Class B Shares from the Trust to the Foundation in the Company's shareholder records. Therefore, at that time, there will be a change in control of the Company, and the Foundation will control our Company.

As of April 10, 2019, the record date, all 1,001,714 shares of the Class B common stock are held by the Trust.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis (CD&A) describes the compensation of our named executive officers (“Named Executive Officers”) for 2018 and the compensation philosophy and objectives on which it is based. Geoffrey M. Kolander, Kay E. Osbourn, Jeffery P. Conklin, James A. Eliasberg and Robert M. Mauldin III were our Named Executive Officers for 2018.

Compensation Philosophy and Objectives

Our executive compensation program is designed to attract, retain and motivate our high-performing executive officers to achieve operational excellence and long-term business strategies and goals. We are guided by the following philosophy and objectives:

- *Compensation should be competitive.* Our total compensation, especially our base salaries, annual incentive bonus opportunities and long-term equity incentives, should be competitive with our peer companies to enable us to attract and retain key executive officers. Total compensation is generally targeted to the median of our peer companies.
- *Compensation should be tied to performance.* Our executive compensation program is aligned with our short- and long-term business strategies and incentives. Annual incentive bonus opportunities are considered annually based on achievement of milestones and priorities against which the performance of our executive officers is measured.
- *Emphasis on long-term equity incentives.* Our executive compensation program emphasizes long-term shareholder value creation by using restricted stock units (“RSU”) that vest over multiple years. The emphasis on long-term RSU awards generates a retention incentive, encourages our executive officers to focus on the Company’s long-term performance and success, and aligns executive compensation with the interests of our shareholders.

Our compensation program is constantly evolving to remain competitive among our peer companies and to align our executive officers’ financial interests with our shareholders. In recent years, the Compensation Committee has implemented a comprehensive overhaul of our executive compensation program. Among other changes, we introduced incentive-based and equity compensation for the first time, following our engagement of an independent compensation consultant in 2016 to provide independent and objective guidance on how our executive compensation program compared to market practice. In 2017, the Compensation Committee approved incentive-based bonuses as a component of our executive compensation program. At our 2017 Annual Meeting of Shareholders, our shareholders approved the Citizens, Inc. Omnibus Incentive Plan (the “Incentive Plan”), which now comprises an important component of our compensation program. Under the Incentive Plan, the Compensation Committee may now award equity compensation to our executive officers, directors or employees, which the Company believes will help recognize the contributions made to the Company by award recipients, incentivize them to devote themselves to the future success of the Company, and improve the Company’s ability to attract, retain, and motivate individuals upon whom the Company’s sustained growth and financial success depend. The Compensation Committee made an initial grant of RSUs to our Named Executive Officers (other than James A. Eliasberg) and certain other officers in February 2018. In November 2018, the Compensation Committee engaged a new independent compensation consultant, Pearl Meyer & Partners, LLC (“Pearl Meyer”) to provide an outside, independent perspective on issues relating to executive compensation. Pearl Meyer performs no services for us other than for the Compensation Committee.

Compensation Process

The Role of the Compensation Committee. Our executive compensation program is administered by the Compensation Committee, which is composed entirely of independent directors. The Compensation Committee is responsible for designing our executive compensation program, including each element of the program, and determining and approving total executive compensation. Each year, the Compensation Committee reviews a competitive analysis and assessment of the compensation provided to executive officers and approves executive compensation based on this review. The Compensation Committee’s decisions with respect to our executive officers’ compensation are reviewed and approved by the independent members of the Board as a group. The Compensation Committee may form and delegate authority to subcommittees.

The Role of the Compensation Consultant. Under its charter, the Compensation Committee is authorized to engage its own independent advisors to assist in carrying out its responsibilities. In September 2016, the Compensation Committee retained F.W. Cook as its independent compensation consultant to perform work in 2016, 2017 and early 2018. F.W. Cook provided the Compensation Committee with independent and objective guidance on executive compensation and how our executive compensation program compares to other companies' executive compensation programs, as well as guidance on market trends, evolving regulatory requirements, executive employment agreements, nonemployee director compensation, peer group composition and other matters as requested by the Compensation Committee. The Compensation Committee conducted an assessment of the independence of F.W. Cook pursuant to SEC rules and, following that assessment, concluded that no conflict of interest existed that would prevent F.W. Cook from serving as an independent consultant to the Compensation Committee.

In November 2018, the Compensation Committee engaged a new independent compensation consultant, Pearl Meyer, to provide an independent perspective on the executive compensation program. Pearl Meyer replaces F.W. Cook as our compensation consultant going forward. Pearl Meyer provided research, data analyses, appropriate market reference points, and design expertise in further refining the compensation program for our executive officers. The Compensation Committee conducted an assessment of the independence of Pearl Meyer pursuant to SEC rules and, following that assessment, concluded that no conflict of interest exists that would prevent Pearl Meyer from serving as an independent consultant to the Compensation Committee.

The Role of the Chief Executive Officer. At the Compensation Committee's request, Geoffrey Kolander, our President and Chief Executive Officer, provides input regarding the performance and appropriate compensation of the other Named Executive Officers. The Compensation Committee considers Mr. Kolander's evaluation and his direct knowledge of each executive officer's performance and contributions when making compensation decisions. Mr. Kolander is not present during voting or deliberations by the Compensation Committee regarding his own compensation.

The Role of Peer Companies. As part of its compensation review, the Compensation Committee assessed the competitiveness of the Company's executive compensation program using data compiled by its compensation consultants on a peer group of comparable public companies (collectively, the "Comparable Groups"). The Comparable Groups may differ from peer groups used by shareholder advisory firms. The Comparable Groups, which may be modified from time to time, consist of companies that are generally comparable to the Company in size, financial profile and scope of operations and, in certain cases, against which we may compete for executive talent. The data used to assemble the Comparable Group used by F.W. Cook (the "F.W. Cook Comparable Group") in early 2018 was derived from two published compensation survey sources and represented a 50/50 blend of each of Willis Towers Watson General Industry Data, regressed to companies having \$250 million in revenues, and Towers Watson Financial Services Data consisting of companies with revenues greater than \$300 million. The Comparable Group compiled by Pearl Meyer (the "Pearl Meyer Comparable Group") in November 2018 consisted of U.S.-based, publicly traded companies in the life and health insurance, specialized finance and consumer finance industries, many with international exposure. Pearl Meyer targeted companies with assets and revenue of approximately \$2 billion and \$350 million, respectively, but included companies in a reasonable range around these targets. The specific companies in the Pearl Meyer Comparable Group were American Equity Investment Life Holding Company, Curo Group Holdings Corp., Elevate Credit, Inc., EZCORP, Inc., FBL Financial Group, Inc., Independence Holding Co, National Western Life Group, Inc., On Deck Capital, Inc., PRA Group, Inc., Regional Management Corp., Torchmark Corp and World Acceptance Corporation. The Compensation Committee generally aims to provide total compensation around the median for like positions at Comparable Group companies, considering Citizens' assets, revenues, market capitalization and relatively unique business model relative to other companies in the Comparable Groups. However, the Compensation Committee does not set compensation components strictly to meet specific benchmarks compared to peer companies, such as targeting salaries at a specific market percentile.

Results of the 2018 Advisory Vote on Executive Compensation. At the 2018 Annual Meeting of Shareholders, approximately 89% of the votes cast were in favor of the advisory vote to approve executive compensation. The Compensation Committee considered these results when considering changes to the Company's compensation program and the Committee's decisions regarding executive compensation in 2019. At the 2019 Annual Meeting of Shareholders, we will again hold an advisory vote to approve executive compensation (see page 38) and will continue to consider the results of the advisory vote in the future.

Risk Considerations. In establishing and reviewing the Company's executive compensation program, the Compensation Committee considers whether the program encourages unnecessary or excessive risk-taking and has concluded that it does not. See the section entitled titled "Risk Oversight" above on page 7 for an additional discussion of risk considerations.

2018 Named Executive Officer Compensation

The elements of our executive compensation program are base salary, annual incentive bonus opportunity and long-term equity compensation.

Cash Compensation

Base salary. Base salary is a customary, fixed element of compensation intended to attract and retain executive officers. The base salaries of our executive officers are determined based on the executive officers' responsibilities, performance and experience. The Compensation Committee also considers market data provided by its independent compensation consultant when setting or adjusting base salaries.

F.W. Cook's analysis conducted in early 2018 revealed that the amount of base salary for our Chief Executive Officer was below the median compensation of the survey data regarding the companies contained in the F.W. Cook Comparable Group. Mr. Kolander's 2017 salary of \$600,000 was below the median CEO base salaries of the F.W. Cook Comparable Group and well below the salaries of one of our two previous Chief Executive Officers, Harold Riley (\$1,000,000). The Compensation Committee approved a base salary increase for Mr. Kolander as Chief Executive Officer to \$700,000 effective January 1, 2018. The base salary increase plus the target bonus opportunity and retention awards under Mr. Kolander's employment agreement brought the amount of total compensation for Mr. Kolander closer to the median level of the F.W. Cook Comparable Group, which the Compensation Committee, after receiving input from its compensation consultant, believed was appropriate. With assistance from F.W. Cook, the Compensation Committee also conducted a similar analysis of the compensation for the other Named Executive Officers. The Compensation Committee adjusted the base salary of Ms. Osbourn from \$450,000 to \$350,000, effective January 1, 2018, to reflect her change in role from President to Executive Vice President, Chief Financial Officer and Chief Investment Officer on September 12, 2017. No changes to the compensation of the other Named Executive Officers were made in 2018.

Annual incentive bonus opportunity. The Named Executive Officers are eligible to earn an annual incentive bonus in cash based on a combination of the prior-year performance of the Company, the executive team as a whole and each individual executive. The incentive is designed to place at risk a portion of each Named Executive Officer's annual compensation opportunity. On an annual basis, the Compensation Committee, with input from management, establishes milestones and priorities against which the performance of the executive team may be evaluated and on which bonus payments are based.

In early 2019, the Compensation Committee awarded cash bonuses to its executive officers for their 2018 performance in recognition of their achievement of certain milestones and priorities set by the Compensation Committee. The amounts paid to the Named Executive Officers are reported under "Non-equity Incentive Plan Compensation" in the Summary Compensation Table. The milestones and the priorities were established in the first quarter of 2017 and 2018, respectively, and included, but were not limited to: (1) developing strategic initiatives and specific actions in connection with the analysis and refinement of the Company's international business model; (2) achieving specific improvements in our information technology infrastructure; and (3) addressing certain identified regulatory issues.

Each Named Executive Officer's target or maximum annual incentive bonus opportunity, as a percentage of salary, is reviewed during our annual compensation process. In 2018, the target annual incentive bonus opportunity for Geoffrey M. Kolander was 70% of base salary and the target annual incentive bonus opportunity for Kay E. Osbourn was 60% of base salary. The maximum annual incentive bonus opportunity, as a percentage of salary, for the other Named Executive Officers was as follows: 10% of base salary for Jeffery P. Conklin, 25% of base salary for Robert M. Mauldin III and 50% for James A. Eliasberg. The cash bonuses awarded to the Named Executive Officers were: \$490,000 for Mr. Kolander (representing 70% of base salary), \$210,000 for Ms. Osbourn (representing 60% of base salary), \$25,000 for Mr. Conklin (representing 10% of base salary), \$115,000 for Mr. Eliasberg (representing 50% of base salary and prorated based on 11 months of service at the Company) and \$77,000 for Mr. Mauldin (representing 25% of base salary).

Long-Term Equity Compensation

Long-term incentive compensation is provided to the Named Executive Officers to align executive officers' interests with shareholders' interests in creating long term value. Long-term incentive compensation comprises a portion of total compensation provided to the Named Executive Officers, gives executives a personal stake in the long-term success of the Company and promotes the stability and retention of a high performance executive team over the long term.

The Compensation Committee made an initial grant of time-based restricted stock units ("RSUs") to our Named Executive Officers (other than James A. Eliasberg) and certain other officers on February 15, 2018. The RSUs were

granted based on a combination of the prior-year performance of the Company, the executive team as a whole and each individual executive, as compared to the milestones and priorities set by the Compensation Committee. The RSUs vest in two equal annual installments commencing on February 15, 2019 (the first anniversary of the grant date).

Other Benefits

Our Chief Executive Officer and Chief Financial Officer each received a \$300,000 cash payment in December 2018 representing retention bonuses earned in accordance with the terms of their employment agreements.

Our Chief Executive Officer is eligible to obtain an annual executive physical screen at the Cooper Clinic in Dallas, Texas or an equivalent facility of the Chief Executive Officer's choice at the Company's expense in accordance with his employment agreement. Our executive officers are eligible to participate in our health and dental insurance, Citizens, Inc. Stock Investment Plan and 401(k) and Profit Sharing Plan on the same basis as other employees. The executive officers are also eligible to participate in the Citizens, Inc. Paid Time Off (PTO) plan in accordance with the terms of its C-level executive plan.

2019 Named Executive Officer Compensation

In January 2019, the Compensation Committee, based on a review of executive compensation market analysis prepared by our new independent compensation consultant, Pearl Meyer, and with Pearl Meyer's support, adjusted the compensation of our Chief Executive Officer and other Named Executive Officers (other than Ms. Osbourn) effective January 1, 2019 to more closely align the total compensation level of such executives with the median of the Pearl Meyer Comparable Group. In connection therewith, Mr. Kolander also entered into a new employment agreement with the Company effective January 1, 2019.

Chief Executive Officer. Pearl Meyer's analysis revealed that Mr. Kolander's 2018 total compensation was below the median of the Pearl Meyer Comparable Group. The Compensation Committee revised Mr. Kolander's total compensation effective January 1, 2019 to more closely align his total compensation with the median of the Pearl Meyer Comparable Group and increase the probability of his retention. In doing so, the Compensation Committee (i) adjusted the base salary for Mr. Kolander from \$700,000 to \$1,000,000 per year, (ii) approved an annual bonus opportunity of 120% of base salary for Mr. Kolander and (iii) approved the annual grant of RSUs to Mr. Kolander with a value of \$1,200,000, beginning in 2020.

To reward Mr. Kolander for his leadership, hard work and personal sacrifice over the years, the Compensation Committee approved a one-time award of 134,409 RSUs to Mr. Kolander on January 23, 2019, which vested immediately. The number of RSUs subject to such award was determined by dividing \$1,000,000 by the per share closing price of the Company's Class A common stock on the date of grant and rounding to the nearest whole share.

The Compensation Committee also restructured and increased the severance amounts in the new employment agreement with Mr. Kolander to afford him greater protection in the event of a potential change in control. See the section entitled "Employment Agreement" below on page 29 for an additional discussion of the new employment agreement.

Other Named Executive Officers. Pearl Meyer's analysis revealed that Mr. Eliasberg's 2018 base salary was below the median of the Pearl Meyer Comparable Group. The Compensation Committee adjusted Mr. Eliasberg's base salary from \$250,000 to \$350,000 per year effective January 1, 2019 which brings Mr. Eliasberg's base salary in line with the median. The Compensation Committee also approved the following changes to the maximum annual incentive bonus opportunity, as a percentage of salary, for Jeffery P. Conklin (an increase from 10% to 35% of base salary), Robert M. Mauldin III (an increase from 25% to 45% of base salary) and James A. Eliasberg (an increase from 50% to 60% of base salary), which more closely aligns their bonus opportunities with the median.

Mr. Conklin was appointed interim Chief Financial Officer and Chief Investment Officer of the Company, in addition to his existing role as Vice President, Chief Accounting Officer and Treasurer, effective March 27, 2019, until a new Chief Financial Officer has been appointed. Ms. Osbourn transitioned to the role of Head of Financial Reporting and stepped aside as the Company's Executive Vice President, Chief Financial Officer, effective March 27, 2019. On April 11, 2019, the Company terminated the employment of Ms. Osbourn.

In connection with the change in roles, the Compensation Committee adjusted Mr. Conklin's base salary, effective March 27, 2019, to reflect his new role as Interim Chief Financial Officer and Chief Investment Officer. In addition to Mr. Conklin's salary for his existing role as Vice President, Chief Accounting Officer and Treasurer, Mr. Conklin will receive an additional cash salary increase of \$12,500 per month during the period in which he serves as Interim Chief Financial Officer and Chief Investment Officer, such amount representing the difference between Mr. Conklin's

current base salary and the median base salary for Chief Financial Officers in the Pearl Meyer Comparable Group. No other changes were made to Mr. Conklin's compensation arrangement.

The Compensation Committee also adjusted the base salary of Ms. Osbourn from \$350,000 to \$225,000, effective March 27, 2019, to reflect her change in role from Executive Vice President, Chief Financial Officer to Head of Financial Reporting, a non-executive officer role. In addition, Ms. Osbourn was no longer eligible to receive a bonus based on her prior target annual incentive bonus opportunity.

2019 Long-Term Incentive Grants

In consideration of Kay E. Osbourn's service to the Company and her continued commitment to the direction and leadership of the Company, the Compensation Committee approved a one-time award to Ms. Osbourn of 27,323 RSUs on January 24, 2019. The RSUs were scheduled to vest on January 24, 2020, subject to Ms. Osbourn's continued employment on that date. The number of RSUs subject to such award was determined by dividing \$200,000 by the per share closing price of the Company's Class A common stock on the date of grant and rounding to the nearest whole share. Upon vesting, each RSU will equal one share of Class A common stock. The unvested RSUs were forfeited following termination of Ms. Osbourn's employment on April 11, 2019.

The Compensation Committee granted RSUs to the Named Executive Officers on January 31, 2019 following a recommendation by Pearl Meyer that the executive officers are undercompensated on long-term incentive awards as compared to the Pearl Meyer Comparable Group. The RSUs were granted based on the performance of the executive team in 2018 (but were based on the 2019 base salaries for Named Executive Officers). The RSUs will vest in two equal annual installments commencing on January 31, 2020 (the first anniversary of the grant date).

Change in Control. The 2019 Employment Agreement defines a "Change in Control" generally to mean:

- the dissolution or liquidation of the Company;
- the merger, consolidation, or reorganization of the Company with one or more other entities in which the Company is not the surviving entity or immediately following which the persons or entities who were beneficial owners of voting securities of the Company immediately prior thereto cease to beneficially own more than fifty percent (50%) of the voting securities of the surviving entity immediately thereafter;

2017 Employment Agreements (Mr. Kolander and Ms. Osbourn)

The 2017 Employment Agreements of Mr. Kolander and Ms. Osbourn (collectively, the "2017 Employment Agreements") generally had similar terms, except for certain differences described below.

Term. Each 2017 Employment Agreement had an initial term of four (4) years and automatically renewed on each anniversary of the effective date unless either the Company or the executive officer provided at least 90 days' notice not to renew.

Base Salary. The 2017 Employment Agreements established a base annual salary of \$700,000 for Mr. Kolander and \$350,000 for Ms. Osbourn.

Target Bonus Opportunity and Retention Awards. Each executive officer was eligible to receive an annual cash bonus based on a target bonus opportunity of 70% of base salary for Mr. Kolander and 60% of base salary for Ms. Osbourn. The amount of the actual cash bonus awarded each year was based on the achievement of annual performance objectives established by the Board and Compensation Committee. In addition, each executive officer was eligible to receive a cash retention bonus. The retention bonuses (\$600,000 for Mr. Kolander and Ms. Osbourn) were payable in two equal installments on or within 15 days of December 15, 2018 and December 15, 2019, subject to the executive officer's continued employment on the applicable payment date.

Benefits. Each executive officer was eligible to participate in all employee benefit plans and programs available generally to other similarly-situated executives of the Company, and the Company was required to maintain customary liability insurance for the executive officers.

Death or Disability. If an executive officer's employment was terminated due to the executive officer's death or disability, the executive officer would be entitled to receive the following payments in equal installments over the twelve (12) month period following the date of termination, referred to as the Severance Period: accrued but unpaid salary, accrued but unused paid time out, any earned but unpaid annual bonus for the prior fiscal year, a pro-rated annual bonus for the year of termination based on the degree to which performance metrics for the fiscal year are attained, and the unpaid portion of any retention award.

Payments upon a Termination without Cause or for Good Reason – No Change in Control. Upon a termination by the Company without Cause (defined below) or the executive officer's voluntary termination with Good Reason (defined below), in each case, other than within the ninety (90) day period prior to the consummation of a Change in Control (defined below) or within one (1) year following a Change in Control, each executive officer would be entitled to the death and disability benefits described above, an amount equal to a certain number of months of base salary (twenty-four (24) months base salary for Mr. Kolander and eighteen (18) months for Ms. Osbourn) payable over twelve (12) months and an amount intended to approximate the value of the Company's subsidy of the cost of the executive officer's participation in the Company's group health care plan.

Payments upon a Termination without Cause or for Good Reason – Change in Control. Upon a termination by the Company without Cause or the executive officer's voluntary termination with Good Reason, in each case, within the ninety (90) day period prior to the consummation of a Change in Control or within one (1) year following a Change in Control, each executive officer would be entitled to the payments and benefits described above for a termination not in connection with a Change in Control, but the severance multiple will be two and one-half (2.5) times the sum of the base salary and annual bonus for Mr. Kolander and Ms. Osbourn, payable in equal installments over the Severance Period.

Good Reason. The 2017 Employment Agreements define “Good Reason” generally to mean:

- the Company’s failure to pay earned compensation when due and payable;
- a material diminution in the executive officer’s position, duties, or responsibilities, including, without limitation, the Company’s failure to reappoint the executive officer to their titled position;
- the Company’s material breach of any other material provision of the employment agreement; or
- a change of the executive officer’s principal place of employment to a location more than fifty (50) miles from such principal place of employment as of the effective date of the employment agreement.

Cause. The 2017 Employment Agreements define “Cause” generally to mean:

- the continued failure by the executive officer to perform the material responsibilities and duties under this Agreement;
- the engaging by the executive officer in willful or reckless conduct, if such conduct is done or omitted to be done by the executive officer not in good faith, and is materially injurious to the Company monetarily or otherwise;
- the executive officer’s conviction of, or pleading of guilty or *nolo contendere* to, a felony;
- the commission or omission of any act by the executive officer that is materially detrimental to the best interests of the Company and that constitutes common law fraud or a violation of applicable law; or
- the executive officer’s breach of any material provision of the 2017 Employment Agreement (including the Restrictive Covenants).

Change in Control. The 2017 Employment Agreements define a “Change in Control” generally to mean:

- the dissolution or liquidation of the Company;
- the merger, consolidation, or reorganization of the Company with one or more other entities in which the Company is not the surviving entity or immediately following which the persons or entities who were beneficial owners (as determined pursuant to Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) of voting securities of the Company immediately prior thereto cease to beneficially own more than fifty percent (50%) of the voting securities of the surviving entity immediately thereafter;
- a sale of all or substantially all of the assets of the Company to another person or entity;
- the transfer of at least a majority of the Company’s Class B common stock from the Harold E. Riley Trust to an individual other than Harold E. Riley, an entity not beneficially owned by Harold E. Riley or a trust not controlled by Harold E. Riley;
- the exercise of a power of attorney granted by Harold E. Riley over the Company’s Class B common stock;

- individuals who, as of the effective date of the 2017 Employment Agreement, constitute the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the effective date whose election, or nomination for election by the Company’s shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for trustee, without written objection to such nomination) shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or contests by or on behalf of a person other than the Board.

Restrictive Covenants. The 2017 Employment Agreements also include restrictive covenants regarding confidentiality, intellectual property, non-disparagement, non-competition and non-solicitation. With respect to the non-competition and non-solicitation covenants, the executive officers agreed for a period during the term of the employment agreements and twelve months thereafter not to in any way, directly or indirectly, for the executive officers or on behalf of or in conjunction with any other person or entity, (a) solicit, divert, take away, or attempt to take away any of the Company’s customers or the business or patronage of any such customers with whom the executive officers had direct or indirect contact while employed by the Company; (b) solicit, entice, or recruit any of the Company’s employees for another entity or business, provided that public job postings shall not be deemed to violate this provision; or (c) participate in any activities that are the same or similar in function or purpose to those the Executive provided, managed, or supervised as an employee of the Company under the 2017 Employment Agreements on behalf of a Competing Business of the Company, which is defined in the 2017 Employment Agreements as National Western Life Insurance Company, Pan American Life Insurance Company and BMI (Best Meridian Life).

Offer Letter with Robert M. Mauldin III

On May 23, 2017, the Company entered into an offer letter agreement with Robert M. Mauldin III which set forth the terms of offer of his employment with the Company as Chief Marketing Officer (the "Letter Agreement"). The Letter Agreement provides that in the event that Mr. Mauldin's employment with the Company is terminated within two (2) years of the start date by the Company without "Cause" (as defined below) or Mr. Mauldin resigns for "Good Reason" (as defined below), Mr. Mauldin will be entitled to a lump sum payment in an amount equal to eight months of his then-base salary, minus applicable taxes and withholdings, subject to subject to Mr. Mauldin signing a release agreement. If Mr. Mauldin resigns in anticipation of a "Cause" termination, he will not be entitled to the lump sum payment. Mr. Mauldin's start date at the Company was July 17, 2017.

"Cause" is generally defined in the Letter Agreement to mean: a failure to perform the material responsibilities and duties as Chief Marketing Officer; willful or reckless conduct as determined in the sole discretion of the Board; a conviction of, or pleading of guilty or nolo contendere to, a felony; the commission or omission of any act that is materially detrimental to the best interests of the Company as determined in the sole discretion of the Board; or an act that constitutes common law fraud or a violation of applicable law.

"Good Reason" is defined in the Letter Agreement to mean a resignation due to material changes in the Company's objectives that are materially inconsistent with revenue growth and market diversification as set forth by the Board of Directors.

The following table shows the estimated amounts that Mr. Mauldin would have become entitled to under the terms of the Letter Agreement had his employment been terminated without Cause or for Good Reason on December 31, 2018, the last day of the Company's fiscal year.

Equity Awards of Named Executive Officers

All the Named Executive Officers (other than James A. Eliasberg) were awarded RSUs in February 2018. As of December 31, 2018, all of the RSUs were unvested.

Pursuant to the terms of the award agreement for the RSUs under the Incentive Plan, all of the unvested RSUs immediately vest upon the earlier of the Named Executive Officer's death or disability or a "Termination of Employment or Service in Connection with a Change of Control" (as defined below). In the event that the employment of the Named Executive Officer is terminated by the Company without "Cause," the unvested RSUs will become vested on a pro-rata basis, calculated by reference to the numbers of completed months of service from the most recent vesting date (or grant date, as the case may be) as a fraction of the number of months that make up the period from the most recent vesting date (or grant date, as the case may be) through the next vesting date. The unvested RSUs will be forfeited in the event that the Named Executive Officer's employment is terminated for any other reason.

"Termination of Employment or Service in Connection with a Change of Control," "Cause," "Good Reason" and "Change of Control" are defined in the Incentive Plan.

"Termination of Employment or Service in Connection with a Change of Control" means a termination by the Company for any reason other than Cause or a termination by the Named Executive Officer for Good Reason (in each case within the one-year period beginning on the date of a Change in Control).

"Cause" generally means a termination of employment as a result of a material breach of any agreement to which the Named Executive Officer and the Company are parties; any act (other than retirement) or omission to act, including without limitation, the commission of any crime (other than ordinary traffic violations) that may have a material and adverse effect on the business of the Company or on the Named Executive Officer's ability to perform services for the Company; or any material misconduct or neglect of duties in connection with the business or affairs of the Company.

"Good Reason" generally means a material reduction in base salary or wage rate or target incentive opportunity; or the relocation of the principal place of employment to a location more than fifty miles from the Named Executive Officer's principal place of employment as of immediately prior to the Change of Control (subject to certain cure rights).

“Change of Control” generally means the first to occur of any of the following events: (i) the date any transaction is consummated that constitutes the sale or other disposition of all or substantially all of the assets of the Company, (ii) the date any transaction is consummated that constitutes a merger or consolidation of the Company with or into another corporation, other than a merger or consolidation of the Company in which holders of shares of the Common Stock immediately prior to the merger or consolidation will hold at least a majority of the ownership of common stock of the surviving corporation (and, if one class of common stock is not the only class of voting securities entitled to vote on the election of directors of the surviving corporation, a majority of the voting power of the surviving corporation’s voting securities) immediately after the merger or consolidation, which common stock (and, if applicable, voting securities) is to be held in the same proportion as such holders’ ownership of Common Stock immediately before the merger or consolidation; (iii) the date any entity, person or group, (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act), (other than the Company or any of its subsidiaries or any employee benefit plan (or related trust) sponsored or maintained by the Company or any of its subsidiaries) or any person or entity who, on the date the Plan is effective, shall have been the beneficial owner of at least fifteen percent (15%) of the outstanding Common Stock), shall have become the beneficial owner of, or shall have obtained voting control over, more than fifty percent (50%) of the outstanding shares of the Common Stock; (iv) the first day after the date the Incentive Plan is effective when directors are elected such that a majority of the Board of Directors shall have been members of the Board of Directors for less than twenty four (24) months, unless the nomination for election of each new director who was not a director at the beginning of such twenty four (24) month period was approved by a vote of at least two thirds of the directors then still in office who were directors at the beginning of such period; or (v) the date the shareholders of the Company (or the Board of Directors, if shareholder action is not required) approve a plan or other arrangement pursuant to which the Company will be dissolved or liquidated and no further contingences remain that could prevent the consummation of such plan or arrangement.

The following table shows the estimated amounts that the Named Executive Officers would have become entitled to under the terms of the RSUs had their employment been terminated due to either death, disability, Termination of Employment or Service in Connection with a Change of Control or a termination without Cause, in each case, on December 31, 2018, the last day of the Company’s fiscal year.

CEO PAY RATIO

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are disclosing the ratio of annual total compensation of our CEO to the annual total compensation of our median employee (excluding our CEO). The ratio presented below is a reasonable estimate calculated in a manner consistent with Item 402(u) of SEC Regulation S-K under the Exchange Act and should not be used as a comparison with pay ratios disclosed by other companies.

We identified our median employee by examining the 2018 total cash compensation for all of our 485 employees, excluding the CEO, who were employed by us on December 31, 2018, the last day of our payroll year. We believe the use of total cash compensation for all employees is a consistently applied compensation measure that reasonably reflects the annual compensation of our employees. We included all employees, whether employed on a full-time or part-time basis and did not exclude any non-U.S. employees. We did not make any assumptions, adjustments or estimates with respect to total cash compensation, and we did not annualize the compensation for any full-time or part-time employees who were not employed by us for all of 2018.

As disclosed in the Summary Compensation Table in this Proxy Statement, the 2018 annual total compensation of our CEO was \$1,990,599. The 2018 annual total compensation of our median employee, calculated in the same manner as our CEO’s compensation, was \$36,286. The ratio of our CEO’s annual total compensation to our median employee’s annual total compensation for fiscal year 2018 is approximately 55 to 1.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has the sole authority and responsibility to select, evaluate and, if necessary, replace our independent registered public accounting firm.

Our Audit Committee has retained Deloitte & Touche LLP as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2019.

We are requesting our shareholders ratify the appointment of Deloitte & Touche LLP by our Audit Committee as our independent registered public accounting firm for the fiscal year ending December 31, 2019. If the shareholders do not ratify this appointment, the Audit Committee will consider such results and determine whether to recommend and appoint a different independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending December 31, 2019.

One or more members of the firm of Deloitte & Touche LLP are expected to attend the Annual Meeting, will have an opportunity to make a statement if they desire to do so, and will be available to respond to questions at the Annual Meeting.

Proposal No. 2 will be approved if the votes cast **FOR** the proposal exceed the votes cast **AGAINST** it. Abstentions and broker non-votes will be disregarded and have no impact on the vote, other than for establishing a quorum.

The Board recommends that you vote FOR the ratification of Deloitte & Touche LLP to serve as the Company's independent registered public accounting firm for fiscal year 2019.

PROPOSAL NO. 3

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act and the related rules promulgated by the SEC, the Company is seeking an annual advisory vote from its shareholders on the compensation of the Company's Named Executive Officers. This non-binding advisory shareholder vote, commonly known as "Say-on-Pay," gives you, as a shareholder, the opportunity to endorse or not endorse our executive compensation program and policies, as explained in our Compensation Discussion and Analysis section beginning on page 22 and in our Summary Compensation Table on page 27.

Because your vote is advisory, it will not be binding upon the Company or the Board. However, the Compensation Committee will consider the outcome of the vote when considering future executive pay. Accordingly, we are providing you the opportunity to cast a non-binding advisory vote on the compensation of the Company's Named Executive Officers contained in this proxy, through the following resolution:

RESOLVED, that the compensation of the Company's Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and the related disclosures contained in this Proxy Statement is hereby APPROVED.

Proposal No. 3 will be approved if the votes cast **FOR** the proposal exceed the votes cast **AGAINST** it. Abstentions and broker non-votes will be disregarded and have no impact on the vote, other than for establishing a quorum.

The Board recommends that you vote FOR the compensation of our Named Executive Officers, as disclosed in this Proxy Statement.

OTHER BUSINESS

Our Bylaws require shareholders to give advance notice of any proposal intended to be presented at the annual meeting. The deadline for this notice has passed and the Company has not received any such notice. If any other matter properly comes before the shareholders for a vote at the meeting, however, the proxy holders will vote your shares in accordance with their best judgment.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

ANNUAL MEETING

The Annual Meeting will be held at the Company's principal executive office at 2900 Esperanza Crossing, 2nd Floor, Austin, Texas 78758 on Tuesday, June 4, 2019, at 10:00 a.m. Central Daylight Time.

PROXY MATERIALS

The proxy materials for the Annual Meeting include the Notice of Annual Meeting, this Proxy Statement and our Annual Report on Form 10-K. If you received a paper copy of these materials, the proxy materials also include a proxy card or voting instruction form.

NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS

We are furnishing proxy materials to our shareholders primarily via "Notice and Access" delivery pursuant to SEC rules. On April 25, 2019, we mailed to our shareholders (other than those who previously requested a printed set) a "Notice Regarding the Availability of Proxy Materials" (the "notice") containing instructions on how to access the proxy materials via the Internet. Utilizing this method of proxy delivery expedites receipt of proxy materials by our shareholders and reduces our cost of producing and mailing the full set of proxy materials. If you receive a notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the notice instructs you on how to access the proxy materials and vote over the Internet. If you received a notice by mail and would like to receive paper copies of our proxy materials in the mail, you may follow the instructions in the notice for making this request. The notice also contains instructions on how you may request to receive an electronic copy of our proxy materials by e-mail.

Our proxy materials are also available on our website at www.citizensinc.com. If you vote by Internet, simply go to www.envisionreports.com/cia and follow the prompts regarding electronic distribution consent on that site.

PROXY SOLICITATION

We bear all expenses incurred in connection with the solicitation of proxies. We will reimburse banking institutions, brokerage firms, custodians, nominees and fiduciaries for their costs in forwarding proxy materials to beneficial owners of our Common Stock. Our directors, officers and employees also may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities. We have not engaged a proxy solicitation firm to solicit shareholders for the Annual Meeting.

VOTING

Each share of the Company's Common Stock may cast one vote on each matter. Only shareholders of record at the close of business on April 10, 2019 are entitled to vote at the Annual Meeting. As of the record date, we had 49,229,255 shares of Class A common stock and 1,001,714 shares of Class B common stock outstanding and entitled to vote. If your shares are registered directly in your name with the Company's registrar and transfer agent, Computershare Trust Company, N.A. ("Computershare"), you are considered a shareholder of record with respect to those shares. If your shares are held in a bank or brokerage account, you are considered the "Beneficial Owner" of those shares and should respond to the communication you receive from the holder of record as soon as possible so your shares can be represented at the Annual Meeting.

Shareholders of record may vote using any of the following methods:

1. **BY MAIL:** If you requested printed copies of the proxy materials by mail, you will receive a proxy card, and you may vote by marking, signing and dating your proxy card and returning it in the postage-paid envelope provided by 11:59 p.m. Eastern Daylight Time on June 3, 2019. The named proxies will vote your stock according to your directions. If you submit a signed proxy card without indicating your vote, the person voting the proxy will vote your stock in favor of the proposals.

REVOCAION OF PROXIES

A shareholder may revoke his or her proxy at any time before it is voted at the Annual Meeting by:

- delivering no later than the commencement of the Annual Meeting a properly-executed, later-dated proxy; or
- voting in person at the Annual Meeting.

CITIZENS, INC. STOCK INVESTMENT PLAN PARTICIPANTS

The Company sends or forwards to each participant in the Company's Stock Investment Plan all applicable proxy solicitation materials. Stock Investment Plan participants have the exclusive right to exercise all voting rights respecting shares of Class A common stock credited to their respective accounts under the Stock Investment Plan. A participant may vote any of the participant's whole or fractional shares of which he or she is the record holder in person or by proxy. Each participant's proxy card includes the participant's whole or fractional shares of the Company's Class A common stock which he or she has the right to vote. A participant's shares will not be voted unless a participant or the participant's proxy votes them. As described below, the Stock Investment Plan administrator may submit a participant's unvoted shares at a shareholders meeting for purposes of establishing a quorum, unless the participant objects by notifying us in writing. For more information about the Stock Investment Plan, please see the Stock Investment Plan prospectus contained in the Company's Registration Statement on Form S-3 (Registration No. 333-228423) filed with the SEC.

QUORUM

At the Annual Meeting, a quorum will require the presence, in person or by proxy, of the holders of a majority of the voting power represented by our shares of Common Stock entitled to vote. Proxies received but marked as abstentions and broker non-votes are counted as present for purposes of determining quorum. Additionally, unless a Stock Investment Plan participant notifies the Company in writing that it elects to withhold the Stock Investment Plan administrator's authority, the plan administrator is deemed to have the written authorization to appear in person or by proxy at any annual or special meeting of shareholders of the Company and to submit the Participant's unvoted shares at the meeting for the sole purpose of determining a quorum.

If a quorum is not present or represented at the meeting, the shareholders entitled to vote have the power to adjourn or recess the meeting without notice, other than announcement at the meeting, until a quorum is obtained. At a reconvened meeting where a quorum is obtained, any business may be transacted which might have been transacted at the meeting as originally noticed.

VOTING REQUIREMENTS

For Proposal No. 1 (Election of Directors), you may vote "FOR" or "WITHHOLD" for each nominee, or "ABSTAIN" from voting. Under Colorado law, director nominees with the highest number of votes cast "FOR" their election will be elected to the Board. Cumulative voting is not permitted. Under our Articles of Incorporation and our Bylaws, the voting rights of our Class A and Class B shareholders are equal in all respects, except that Class B shareholders have the exclusive right to elect a simple majority of the Board, and our Class A shareholders have the exclusive right to elect the remaining directors. Because we have directors elected by two classes of shareholders, Class A director nominees receiving the highest number of votes cast "FOR" their election by Class A shareholders and Class B director nominees receiving the highest number of votes cast "FOR" their election by Class B shareholders will be elected to the Board of Directors. Votes that are withheld or voted in abstention will be excluded entirely from the vote and will have no effect other than for purposes of establishing quorum. According to NYSE Rule 452, as amended, brokers who have not received instructions from their customers in uncontested elections may not vote shares held in street name in the election of directors, and in certain other matters. Therefore, regardless of the number of shares you hold or whether you cast a vote, providing your properly executed proxy is very important.

For Proposal No. 2 (Ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2019), you may vote "FOR" or "AGAINST" such proposal or "ABSTAIN" from voting. Such proposal requires for approval that the votes cast "FOR" the proposal exceed the votes cast "AGAINST" the proposal. For these votes, abstentions and broker non-votes will be disregarded and will have no impact on the vote.

For Proposal No. 3 (Approval, on a non-binding advisory basis of executive compensation), you may vote "FOR" or "AGAINST" each proposal or "ABSTAIN" from voting. Each proposal requires for approval that the votes cast "FOR" the proposal exceed the votes cast "AGAINST" the proposal. For these votes, abstentions and broker non-votes will be disregarded and will have no impact on the vote. Because your votes on executive compensation are advisory, they will not be binding upon the Company or the Board. However, the Compensation Committee will consider the outcome of the votes when considering future executive pay.

OTHER INFORMATION

ADDITIONAL SHAREHOLDER MATTERS

If any other matters properly come before the Annual Meeting, the individuals named in the proxy card will have discretionary authority to vote the shares they represent on those matters, except to the extent their discretion may be limited under Rule 14a-4(c) of the Exchange Act.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than ten percent of our Common Stock file reports of ownership and changes in ownership with the SEC.

To our knowledge, based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to us and certain representations made to us, we believe that during 2018 all Section 16(a) reports were timely filed, with the exception of a late Form 4 filing by Christopher W. Claus relating to a grant of restricted stock units due to administrative error, a late Form 4 filing by Dr. Robert L. Sloan relating to purchases of shares of Class A common Stock through the Citizens, Inc. Stock Investment Plan as part of monthly payroll deduction, a late Form 3 filing by Constance K. Weaver, and a late Form 3 filing by Sidney L. Harp that should have been filed in 2016. In addition, Dr. E. Dean Gage filed a late Form 4 to report a transaction that occurred in 2016.

SHAREHOLDER PROPOSALS FOR 2020 ANNUAL MEETING OF SHAREHOLDER AND NOMINATIONS

A shareholder who intends to have a shareholder proposal included in our Proxy Statement for our 2020 Annual Meeting of Shareholders pursuant to Rule 14a-8 under the Exchange Act must submit the proposal so that it is received by the Secretary of the Company at the mailing address for our principal executive offices at Citizens, Inc., P.O. Box 149151, Austin, Texas 78714-9151 no later than December 27, 2019. Any submission must comply with all the requirements of Rule 14a-8 applicable to shareholder proposals.

The Company's Bylaws generally require advance written notice from a stockholder seeking to present any nominations for election to the Board of Directors or any other proposal, not for inclusion in next year's proxy statement but directly at the 2020 Annual Meeting of Shareholders. Pursuant to the Bylaws, notice must be received by the Secretary of the Company at the mailing address for our principal executive offices at Citizens, Inc., P.O. Box 149151, Austin, Texas 78714-9151 no earlier than the close of business on February 5, 2020, and no later than the close of business on March 6, 2020. The notice must include all of the information required by the Company's Bylaws.

In order to curtail controversy as to the date on which a proposal was received by us, it is suggested proponents submit their proposals by certified mail-return receipt requested.

ANNUAL REPORT ON FORM 10-K

The Annual Report, which includes our Form 10-K and accompanies this Proxy Statement, is not considered a part of the proxy solicitation material. We will furnish to any shareholder, without charge, a copy of our Annual Report, as filed with the SEC. A request for the report can be made in writing to the Secretary of the Company at Citizens, Inc., P. O. Box 149151, Austin, Texas 78714-9151. The Form 10-K and other public filings are also available through the SEC's website at www.sec.gov and on our website at www.citizensinc.com.

HOUSEHOLDING

The SEC rules allow us, subject to certain conditions, to send only one Proxy Statement and Annual Report or Notice to two or more shareholders who share the same last name and address. This "householding" rule provides greater convenience for our shareholders and cost savings for us by reducing the number of duplicate documents that households receive. Also, this allows us to be more environmentally friendly by reducing the unnecessary use of materials. Please note that each shareholder will continue to receive a separate proxy card, which will allow each individual to vote independently.

If you are a Citizens, Inc. shareholder who resides in the same household with another Citizens, Inc. shareholder with the same last name, or if you hold more than one account with Computershare registered in your name at the same address and wish to receive a separate or single proxy statement and annual report or notice for each account, please contact our transfer agent, Computershare.
